A.R.A. COMMITTEE WILL CONSIDER SEVERAL PROJECTS

The Alberta Recreation Association placed several key projects under study at the recent fall conference in Edmonton. The meeting, which coincided with the national Conference of the Parks and Recreation Association of Canada set up committees to deal with: Personnel Study; Boxing; Football; Recreation Degree Course, and School and Recreation.

Albertans engaged in the recreation field who would be interested in the above topics and wish to become members of the A.R.A., should contact Membership Chairman, Ted Van Biezen at Three Hills.

For the next seven months all these people will follow a course of study and complete twelve correspondence lessons. It is hoped that all these students will complete their individual studies and be able to attend the seminar at the University of Alberta early in May, 1962.

MUSIC WORKSHOP AT LETHBRIDGE ONE OF THE BEST

One of the most successful Band and Orchestra Workshops held in the province since the Music Branch initiated the regional program was held at Lethbridge October 6-9. Attended by 139 musicians from all parts of southern Alberta, the four day school offered instruction in strings, woodwinds, brass and percussion. Music Director David Peterkin assisted by Capt. F. M. McLeod, Albert Rodnunsky and 14 other instructors was in charge of the course.

The students were divided in junior and senior groups on the basis of experience with instruction provided accordingly. In addition special classes were held for band directors from the area.

The final afternoon session attended by relatives and friends of the participants included a symphony and band concert. Approximately 60 members of the senior band and 30 members of the junior band performed for the audience.

Applications are still being accepted for the Mat Clinic to be held at Ponoka, Saturday, November 4. Under the direction of John Meakins, Supervisor of Athletics and Outdoor Education, the school will include instruction in wrestling, judo, tumbling and athletic training.
